## **MADE IN LOS ANGELES**

Located near the heart of fashion district in downtown Los Angeles. We offer several in-house services making it a one-stop shop for your production needs. We start from the very beginning from design concepts, to pattern making, sourcing, all the way through to production, finishing, and even fulfillment. We are a private referral only business with no walk-in clients. This gives us the benefit of putting time and real focus to help our clients meet their needs. We have a small seasoned team with experience and track record in all facets of the clothing industry.

## **FULL PACKAGE**

We are a full service private label manufacturer. Print Studio ensures each need is met with the utmost attention and detail in order to deliver in a precise and timely manner. We provide and act as your beginning to end development center. We work with the top subcontractors in the city creating custom "Full Package" for your brand no matter how challenging or detailed your project is. Our full package services include: Development/design, sourcing of custom materials, cut and sew, custom dye/wash, screen print, custom finishing, packaging, and more.
